ADMINISTRATION

To the Class of 1987:

As you leaf through the pages of the 1987 edition of the Aurora, it will help you to recall the events and activities which filled your life as a D-R student. My memories of my association with you in high school and in elementary and middle schools are all very enjoyable.

We are proud of your accomplishments and our association with you and very optimistic about your future.

Congratulations and sincere best wishes.

Joseph C. Harrington, Ed. D.
Superintendent of Schools

Somewhere in your four years of high school this class reached the conclusion that the class of 1987 was one of the best classes to ever graduate from Dighton-Rehoboth. That's a great thought and I commend you for your positive approach. I know that each of you has left your distinct impression on the school and your unique style will not be duplicated.

I am confident that all of you are well prepared to face the fresh challenges of tomorrow. I hope that you are also eager to look at the world and confront the problems and challenges that will be before you in the years to come. So many problems wait on your leadership and your solutions.

Graduation from high school is a once in a lifetime event. The process of drifting apart has already begun for many of you. All of your lives and lifestyles will now change in a way none of us can imagine as we look through this yearbook at this time. Your high school days will never be forgotten. Many times you will reflect upon these years as "the good old days."

Congratulations on your achievement of graduation. We have enjoyed your stay with us. On behalf of the administration, faculty, and staff of the high school, I wish each and everyone of you the greatest possible success and happiness in the years that follow. It has been a pleasure to have known you.

Marshall Sawyer
Principal

Members of the Class of 1987:

It was my pleasure to have been associated with you for the past four years. Unfortunately for me, I was not able to get to know all of you as well as I would have wished. Those I did get to know convinced me that the Class of '87 was an outstanding one. It is my wish that each of you upon graduation are blessed with good health and good fortune in what ever you choose to do. Hopefully your involvement with academics and extracurricular activities while at D-R will serve as fond remembrances for you in the future. Best wishes to you all.

George H. Petrin
Assistant Principal

Congratulations and best wishes to the Class of 1987. You have had the opportunity to experience a well-rounded high school education. Continue to grow in knowledge and develop values which will be beneficial to you and to others. May your days be filled with the gift of dreams and may your heart be full of courage to follow them.

Francis M. Marcille
Assistant Principal
Director of Occupational Education

James Bryant Conant has commented: "Behold the turtle. He makes progress only when he sticks his neck out."

The only failure which lacks dignity is the failure to try. It is my hope for you that you will make your life all it can be. It is amazing how much we can do when we really want to. Go for it! Congratulations and best wishes always!

Mr. Bill Henry
Director of Guidance

SENIOR CLASS OFFICERS

President — TRACY NOONS

Vice-President — TANIA PAULY

Secretary — JEN ANDRADE

Treasurer — KYLEE HUNNIBELL

Although the faces of our class officers have changed many times, the Class of 1987 has held many exciting fundraisers and events throughout our four years here at D-R. Sophomore year, a yard sale and a raffle were held to aid our class financially. While raising money Junior year, our class enjoyed a Beach Dance and worked at a car wash. The money that was raised help pay for our Junior Prom, which was held at the Hillside Country Club on May 2, 1986.

Of course, our best year was our SENIOR YEAR. Members of the Senior class went Christmas carolling at Lincoln Village in North Dighton, attended a Spring Dance, and helped work at another car wash. The biggest event of the year was our Senior Prom, which was held at the Coachmen in Tiverton. For four years we have participated in Spirit Week. Our class enthusiasm finally paid off when we won 1986 Spirit Week! Our jobs as your Class Officers have been a great responsibility, but our job has been enjoyable because of the four class spirit and student involvement. D-R has offered the Seniors a great deal. We will never forget our years here at D-R!

YEARBOOK

Clubs

The Yearbook staff has worked very conscientiously this year. They have met at least twice a week after school for the past several months. The editor, Kendra Hawes, has taken innumerable hours of her weekend and vacation leisure time to assure the successful completion of the 1987 Yearbook. Many thanks go to Kendra, co-editor Susan Vine, and all the staff members for a job well done. The much needed aid and advice of faculty advisor David F. Harwood was also greatly appreciated. Because of the diligence and care of it's creators, the Yearbook will be a valuable keepsake for the Class of 1987 for many years to come.

NATIONAL HONOR SOCIETY

The 1986-1987 school year has been a busy and challenging one for the National Honor Society. Ably led by President Lisa Tweedy, the group started the year with a record-breaking collection of contributions for the Citizens Scholarship Fund at the Rehoboth Fair. The group is also participating for the first time in the Honor Bowl in March. On November 5, 1986, seventeen students were inducted into the James F. Frates Chapter to complement the nineteen seniors already in the NHS. As is the custom, the present members conducted the ceremony themselves with the outstanding work by the officers of the group: Lisa Tweedy, President; Kylee Hunnibell, Vice-President; Shawne McElroy, Secretary; and Carl Benker, Treasurer. National Honor Society members have continued to participate in a tutoring program, which helps many D-R students find success in their courses. This group exemplifies the NHS requirements of scholarship, leadership, character, and service.

STUDENT GOVERNMENT

The work of the 1986-1987 Student Government this year has been quite successful. It began in September with the officers, President Sherri Dipippo, Vice-President Laurie Leonardo, Secretary Melissa Carter and Treasurer Priscilla Clark attended the South Eastern Mass. Association of Student councils. From there, the group's accomplishments included a Thanksgiving basket drive, the giving of a plaque to Mrs. Delsignore on her retirement, the sale of 'Santa Letters', a Christmas collection for the needy, The National Forum petition, Mustard Seed voting, and the continued issuance of a monthly calendar. A candy campaign helped purchase sweaters for the organization, and D-R's teachers were honored on Teacher Appreciation Day. The groups anti-smoking campaign was supported by the observance of The Great American Smokeout and Save-A-Sweet-Heart on Valentines Day. The organization also supported their involvement in S.A.D.D. Last but not least, money was raised to benefit the Citizen Scholarship Fund by the sale of programs at the football games, with the Grid Iron Club, and as always the Ham and Bean Supper which was a tremendous success.

The Math Team did not have a very good start this year. After two meets, DR's team was ranked 14th out of 22 squads in the league. The high scorers were Ed Tebeau — scoring 23 points, Pratisha Budhiraja — 22, and Joe Reilly — 21.

NEWSTREET

The staff of *Newstreet* experienced a considerable amount of growth during 1986-1987. The newspaper continued its coverage of news and public affairs throughout the school and the community. *Newstreet* also provided students with a forum for ideas and opinions of students as well as many great collages highlighting the major events of the school year.

DECA

This year the Distributive Education Students have been diligently at work. 100% of our D.E. students are members of The Distributive Education Clubs of America. DR DECA members managed and operated the football concession in the fall and seeing as it was a success DECA members will do it again next year. We held our 7th annual Senior Citizens Spaghetti Supper in November. Our chapter organized parties for handi-capped children at Meeting Street school in East Providence. Our DECA chapter also adopted grandparents from our local nursing homes. Senior chapter members put together Christmas Dinner baskets and distributed them to needy families in Dighton and Rehoboth. Senior and Junior chapter members worked on Free Enterprise projects to be used in competition at our DECA conferences. All of our projects completed this year are used in competition. Christina Amaral was elected as a state officer for the school year 1986-1987. She was elected at the State Career Development in 1986. We are proud of her accomplishment. This is the first officer for D-R DECA.

MEDIA

The purpose of the Media Club is to give interested students an opportunity to participate in the running of a library. The members of the Media Club give their free time during study hall to work in the library. Their role in the library is multi-faceted. They sort the library's daily mail, check books in and out, shelve books and help deliver audio-visual equipment requested by the faculty. Because of the invaluable service these aides provide, the library functions much more efficiently.

Back row — B. Buckley, G. Heath, A. Noons, K. Stubbs, Front row — Z. Nevs, D. Spunzo, K. Jacobus.

SKI CLUB

In the 86-87 Ski season the Dighton-Rehoboth Ski Club had two weekend trips. The first trip was to Killington Vermont with 42 members. The ski conditions were exceptional. The second trip was to Mount Snow Vermont with 23 members. The ski conditions could not have been better, the whole area was open. The lodging facilities that the club stayed at were very good. All the senior members would like to thank Mr. Martin, Mr. Murray and Miss Decristofaro for organizing and chaperoning the trips.

RUNNING CLUB

The running club was set up in 1986 as a group activity giving active students the companionship and incentive to run, and non-exercising students the opportunity to work on cardiovascular fitness. At the November organizational meeting the club decided to run Monday thru Thursday from Nov. 11th to March 5th. Daily attendance was not mandatory and students could accumulate anywhere from 1 mile on up per workout. A goal of 1400 miles was set. Snow and slippery road conditions forced several cancellations, however the members remained enthusiastic and worked hard on days they were able to run. As of January 29th, there are 42 active members and 810 miles have been accumulated.

SOUND IMPRESSIONS

They just keep getting better and better every year. Many of them attended the very popular New England Show Choir Summer Music Camp. The entire group attended the Waltham Show Choir Festival in April. Last year we received a bronze medal trophy. This year we worked for silver. Our year was filled out with performances in the Music Department's Winter and Spring Concerts.

SEMSBA

Every year D-R is fortunate to send many of its students to this worthwhile festival. Students from twenty-five schools audition for acceptance and placement into one of the three ensembles: orchestra, band and chorus. D-R students made a significant contribution and a splendid concert was presented.

DISTRICT & ALLSTATE

The competition for the S.E. District Festival is intense. Our students audition with all the schools from the southeastern portion of the state. Selection is an honor and an accomplishment. Recommendations are made through this audition for All-State participation. From those recommended (Jen Amaral, Tracey Glynn, Paul Jefferson, Gideon Webster, Michael Fontaine, Brian Strange) four were selected: Jen Amaral, Tracey Glynn, Gideon Webster, and Michael Fontaine.

Back row — P. Jefferson, J. Amaral, J. Revard; Front — Mr. Descouteaux, T. Glynn, B. Strange, M. Fontaine, Mr. Otto, G. Webster (no pic.)

BAND & CHORUS COUNCILS

Every year the chorus selects two students from each grade. They help with music selections and act as go-betweens for problem-solving. They also help maintain the music area. Composed of students elected by their peers, the Band Council meets at least once per month to discuss current and future musical issues and plans, and to assist in the organizational aspects for the D-R Music Department.

Fore!

The 1986 Dighton-Rehoboth Varsity Field Hockey Season proved to be a quite productive one. The girls ended up in second place, (a half game out of first) in the South Coast Conference with an 11-2-1 record. The girls played each team in the league twice, posting a 4-2-1 record in the first half of the season. The team then went on to post a perfect 7-0 record, including a 1-0 win against undefeated Case. Jen Wood and Christine Monteiro each scored 15 goals in the league. Jen Wood was voted the top player in the league and was also elected for the league all-star team. Other league all-stars include: Carol Torrey, Tina Berry, and Christine Monteiro. Tina Berry had an outstanding season in goal with nine shutouts. Congratulations for a great season and good luck to all the seniors.

OVERALL 6-2-0

Here we come to save the day.

On the home stretch.

The 1986 Boys' Cross Country team was the best in the school's history, even though it achieved a record of 6-2 in the second year of the newly formed South Coast Conference. Led by captain Carl Benker, who was undefeated in his eight dual meets and who was outstanding runner of the Conference, as well as captain of the Conference All-Star Team, the team was a much respected power in the South Coast Conference. Senior Rob Sullivan and outstanding junior Mike Jack contributed immensely to team's success. Sophomores David Wood, Harold Parkinson III, and freshman Larry Sessums comprised the complement of the team's winning efforts. Next year will be a rebuilding year for the very young Falcon harriers who will be led by co-captains Mike Jack and David Wood.

Working hard or hardly working?

With its best record ever, 5-3, the Girls' Cross Country team carved its winning ways into the South Coast Conference. The youthful team had only one senior — co-captain Gail Creighton — who was a consistent performer. Even though junior co-captain Jodi Silvia was hampered by injury throughout most of the season, sophomore Christa Irving ably assumed Jodi's first runner position and emerged as one of the best runners in

the Conference. The team was also fortunate in having its largest contingent of freshmen ever, with seven girls completing the season. One of these girls — Dawn Silvia — established a new freshman record over the toughest course in the Conference and earned herself the number three position on the Varsity. Losing only a single runner to graduation, the Girls' team will be a very strong contender in the South Coast Conference in 1987.

This year's Golf team started its season short on experience, but long on enthusiasm. After a slow start, the team won its last six games to post an overall record of 8 wins, 5 losses and 1 tie. As a result, the Falcons finished third in the South Coast Conference and qualified for the post-season state tournament. Seniors Wayne Vieira and Greg Biello both were named to the SCC All-Star team, with sophomore Butch Roderick given Honorable Mention, junior Craig Burnett and sophomores John Alderson and Jason Buffardi rounded out the starting line-up. They and a large number of promising underclassmen will attempt to continue the team's winning tradition next season.

No Art, the goal line is the other way!

Chris, you promised me this dance!

The 1986 D-R Football team finished the season with a 9-1 record and a share of the South Coast Conference Championship. Six Falcon players: Jason Souza, Kevin Whitman, Dave Pavao, Chris Fredericks, John Pray, and John Kourtesis were named to the All-League team. There were many highlights in the 1986 season. The victories over tough Stang, New Bedford Voke., Fairhaven and Seekonk, during the end of the season, provided many thrilling moments. A last second field goal by Steve Fredette and an interception returned for a touchdown by Doug Mann gave D-R a hard fought 10-0 win over Fairhaven. On Thanksgiving morning in Seekonk, with a championship riding, the Falcon shut down the powerful Warriors 13-0 and earned a Championship. Fullback Jason Souza was the game's outstanding player, while Doug Mann scored on a pass from quarterback Arthur Sindlinger. The Falcons finished fourth in the State Ranking in division IV.

FOOTBALL CHEERLEADERS

This year was an exceptional season for the cheerleaders as well as the football players. Everyone learned something new and improved in one way or another. The whole team has a great deal to be proud of. With only one cheerleader leaving the team, we should have a lot of experienced girls and a great season to look forward to for next year. Also, we would like to thank Mr. Petrin and the Grid Iron Club for their support. It was appreciated by everyone.

FALCONEERS MARCHING ENSEMBLE

Since 1984 a team effort has been underway which has combined the talents and energies of FME members, past and present, the FME Parents Support Group, the D-R School Committee and Administration, and the FME director/advisors/ Mrs. Corry and Mr. Otto. Initially begun as five year project sufficient funds were raised for the purchase of new uniforms in just over two years. The 1986-87 Marching Band (the largest ever), Majorettes, and new Flag Unit not only looked sharp, but also displayed a spirited sound and a new spirit.

MAJORETTES

The majorette squad of the D-R FME accomplished another very successful season. Sharp, new uniforms boosted school spirit and made for a very enthusiastic squad. Skillful routines were executed with pride therefore providing football fans with an extremely talented and entertaining half-time show. Also, advisor Mrs. Corry provided the squad with more awesome spirit than ever. We had a great time and we hope you did too!

BURNT

Led by Co-Captains Peter Larue and Steven Reed, the 1986-87 boys' varsity basketball team rallied from an 0 and 4 start to make a serious bid at qualifying for the State Tournament. The Falcons finished with a 10 and 6 record in South Coast Conference play and an overall slate of 11 wins and 9 losses. Steady improvement over the course of the season resulted in the Falcons playing league Co-Champions Wareham and Fairhaven on even terms the last week of the season.

Senior members of the team included Peter Larue, Steven Reed, Matthew Fraga, Chris Arnold, Chris Fredericks, and Mark Jacobson. These seniors can be very pleased with their achievements as they played very close to their potential and gave a great effort throughout the entire season.

Best Legs on the team

The freshmen basketball team had a very successful season finishing with an overall record of 12-6 and a South Coast Conference record of 12-4. This year's team was led by Greg Arnold, Barry Giller and John Egan. These three players did an excellent job in the first half of the schedule and were moved up to the junior varsity team for the rest of the season. Jason Spreyer was the team's leading scorer averaging 18 points per game. He was joined by Chris Borba, who had back to back games of 28 and 26 points, Duncan Tweedy, Ryan McKearney, Craig Baker, Pat Sullivan and Mike Ferreira at the forward position.

Dave Arruda, Leo Lake, Harry Monti and Jared Hegeman all started at least three games each at the guard position. All of these players showed a great deal of improvement during the season. This was a very hard working and dedicated group of players. Their successful season was a result of this hard work.

Although the 1986-87 team did not produce a record to compare with teams of the previous three years, there were numerous successes. These included exciting and well-played victories over Case, Apponequet, Fairhaven and Bourne, the consistently noteworthy play of Carol Torrey, the maturing of the senior players and the progressive improvement of the sophomore players. The support of the newly organized "Hoopsters Club" was also a positive factor in the season. Congratulations to senior team members: Tina Berry, Laurie Leonardo, Chris Szala, Jean Allen and Toni Berry.

A kiss for good luck

On your mark, get set . . . go!

The 1986-87 girls' JV basketball season proved a learning experience for the young Falcons. The girls experienced a 7-12 year, but despite the frustrating record the girls showed great improvement through the season. The team was composed of 14 freshmen and three sophomores. With such a large group hopefully returning next year, the girls should be able to enjoy a successful year. We enjoyed the challenge of the season and met it without excuse, and we look forward to the challenge of a new season with resolve and enthusiasm.

1986 WINTER CONCERT

The annual winter concert was presented on December 19, 1986. The concert opened with an appearance by the Falconeers Marching Ensemble in their brand new uniforms. The Major-ette and Flag Unit squads each took a turn performing to a favorite FME tune.

The concert band under the direction of Mr. Robert Otto followed the FME with a varied number of selections. Next came the Chorus directed by Mr.

Andre Descoteaux. The chorus and its accompanist Kimberly Howe performed several fine Christmas arrangements.

After intermission, the Sound Impressions opened the second half of the concert with two exciting song and dance numbers. The band and chorus completed the second half of the show with some well performed seasonal songs.

A very young and inexperienced squad, this year's varsity softball team displayed character and poise. Their desire and dedication led them to an overall 11-7 record which qualified them for the Massachusetts State Softball Tournament for the first time in 9 years. Senior Captains Jean Allen, Tina Berry, Toni Berry and Chris Szala did an outstanding job and will be missed next year.

The JV Softball Team recorded only four victories, but the squad was unified and enthusiastic throughout the season. Individual members of the team exhibited greatly improved skills and some contributed to the success of the varsity team. The JV Falcons completed their season on a successful note with two victories in a row, the last being a particularly well-played contest against Old Rochester.

Karate CHOP!!

1987 proved to be a very profitable year for the Lady Falcons. They were the surprise team of the area, as they won the conference tournament, tied for the conference championship and placed fifth in the State Class C Meet. These are outstanding achievements for the girls considering the fact that they were not able to practice on their home track until the last week of the season.

There were many heroes for the team. Foremost of whom was Kate Collins who was once again the Class C long jump champion and undefeated in conference action. Kate was also a conference leader in the 110 hurdles. Complementing Kate was the javelin squad of Carol Torrey, Colleen Ring and Chris Monteiro. The three girls were unstoppable in competition. The Falcon field event dominance was also evident in the shot-put and discus, Lisa Tweedy led the team in these events.

The team's dominance in the field events was matched by the running events. The Falcons were strong in the hurdling events with Kate Collins and Kylee Hunnibell in the 110 and Colleen Ring and Audra Roderigues in the 300. The 400 proved to be another strong event with the running of Carol Torrey, Chris Monteiro and Jen Czarn. In the distance events five runners proved their worth Leslie Hope, Maureen Sullivan, Christa Irving, Julie Benker and Denise Delsignore. The sprinters Jen Jury and Cathy Koss strengthened the 100 and 200 dashes.

This season's success can only be attributed to the hard work, dedication and determination of all the team members. This truly was a team effort, a team success and a team Championship.

The Stevens stride

The 1987 Boy's Spring Track Team, despite depth and experience in many events, was able to achieve a respectable record both in the conference and overall. The team was led by the outstanding all-around athletic ability and performances of seniors Ed Collins, Chris Fredericks and co-captains Carl Benker, Robert Sullivan, and Eric Stevens. Collins, Benker, and Sullivan were undefeated in dual meet competition in their respective events — pole vault, two mile, and half mile. All three athletes likewise won their individual events in the South Coast Conference Championships. Junior Mike Jack, running the 440, 880, and a leg on the mile relay, for the second successive season proved to be the outstanding middle distance runner in the South Coast Conference and a potential undefeated runner and star next year. In addition, junior surprise Scott DaSilva made valuable contributions to the team both on the track and in the field.

The regular season was highlighted by Carl Benker's school records both in the two mile and in the one mile, with times of 9:49.7 and 4:30.5. And in post-season competition on the state level, Ed Collins finished second in the pole vault in Class C. Ed then proceeded to the All Class State Championships where he became the Massachusetts Champion in the pole vault with a leap of 13 feet, which not only tied the existing school record but also propelled him into New England Track and Field Championships.

With this year's individual stellar performers as models and inspirations, the very youthful groups of freshman and sophomore athletes will undoubtedly look toward next year with enthusiasm and promise, accompanied by hard work and perseverance.

This year's girl's tennis team showed a great deal of improvement as the season progressed. The squad of fourteen players was made up of 9 freshmen, 1 sophomore, 2 juniors and 2 seniors. With a majority of the players underclassmen with little of no experience previous to the season the record is very deceiving compared to the progress they made. Lorrie Turgeon and Pratisha were the only seniors and were the co-captains. Lorrie started out playing third singles and moved up to second singles by the end of the season. Pratisha played first doubles and ended the year at third singles. They both showed great determination and leadership as captains and worked extremely hard to improve their tennis skills. They will be missed next year.

Sophomore Heidi Stapleton was the number one singles player. This was a remarkable achievement considering that as a freshmen she did not even play in a single match. Juniors Laurel Stephens and Patty Stubbs played second singles and second doubles respectively. Both will be looked to for leadership next year. The large turnout of freshmen should pay off in the future. Jenn Kimpton, Becky Brown, Kim Freed and Lisa Caldwell showed the best improvement as the season progressed. Hopefully their classmates Debbie Mellons, Kyla Lunghi, Kate Lynch, Kristie McNicholls, and Sharon Reposa will match their progress to provide a bright future for girl's tennis a D-R.

Curt, English teacher at Beckwith Middle School, is the new coach. The 1987 spring season experienced the difficulties of a building year. However, this season saw a progressive increase in the competence and skill of the individual players. Mr. Curt is looking forward with enthusiasm to the spring of 1988 when he hopes his veteran team will be fortified with a large number of interested underclassmen.

MIKE'S CASE

The cast of Mike's Case

On March 14th the D-R Drama Club participated in the South Coast Conference Drama Festival at Case High School in Swansea. This Competition was the first of its kind for the schools who are a member of the Conference. Next year's festival is already in the planning stages. D-R's entry was a one-act play, "Mike's Case", which had been presented at D-R three years ago. Two students distinguished themselves by receiving outstanding acting awards. Senior Richard Scanlon and Junior Lori Dennis were awarded certificates for their talented performances.

The entire cast received a special award which was not one of the planned awards. The judges were so impressed with the entire cast that they awarded them a certificate for Ensemble Movement. It was truly a special honor. In addition to Richard and Lori, the others in the acting and technical ensemble were Brian Astle, Jon Astle, Melissa Carter, Sherri Dipippo, Brian Goldson, Kendra Hawes, Kyle Outlaw, Becky Sharp, Angela Silvia, Dawn Silvia and Glen Veronisi.

You guys are just too funny!

Hey big boy, wanna' dance?

Approximately 200 people attended this year's Senior Supper on Wednesday April 8, 1987. The attendance astounded many people, including faculty members, because of a lack of student enthusiasm in past years. Many students, looking exceptionally sharp, arrived for the supper with much excitement and anticipation for the night's events. Dr. Harrington, Mr. Sawyer, and Mrs. Berube gave opening remarks to welcome the seniors to their first Senior Class Activity. Class officers Tracy Noons, Tania Pauly, Jen Andrade, and Kylee Hunnibell began announcing Senior Superlative Winners. Mr. Thayer presented a superb slide show. This was probably the most memorable portion of the entire evening. The slide show represented not only our senior year but also the many previous years we have spent together as a class. By the end of the slide show, we all realized that our high school days were almost over. The 1987 Senior Supper was well organized and much enjoyed. The memory of that night will remain with all seniors who attended this reception.

THE SENIOR PROM

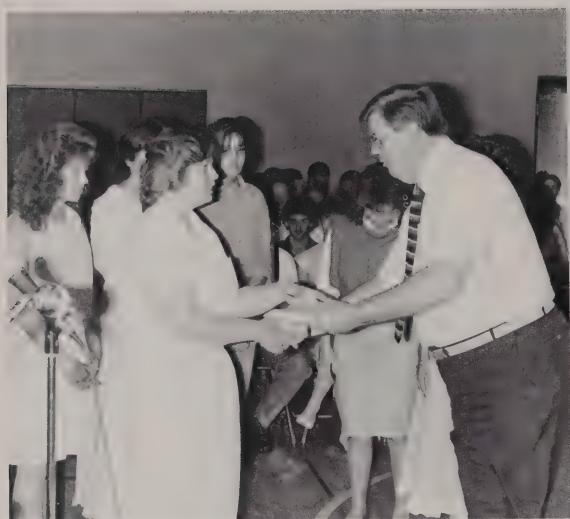

The Senior Prom was held at the Coachmen in Tiverton on June 3, 1987. The prom song was "*This is the time*" by Billy Joel.
